

NEWS RELEASE

ALTAGAS ANNOUNCES SUCCESSFUL OFFER FOR LANDIS ENERGY CORPORATION

Calgary, Alberta (March 22, 2010) – AltaGas Income Trust (AltaGas or the Trust) (TSX: ALA.UN) is pleased to announce that 1,349,479 additional Landis Energy Corporation (Landis) (TSXV: LIS) common shares have been tendered to the offer dated February 2, 2010 (the Offer) made by AltaGas Ltd. (the Offeror), an indirect wholly-owned subsidiary of AltaGas. AltaGas Ltd. will take up all such additional common shares that were validly tendered and not withdrawn as of the expiring of the offer on March 22, 2010 and, together with the Landis common shares previously taken up, will at such time have taken up an aggregate of 25,775,651 common shares of Landis, representing approximately 93.3 percent of the common shares of Landis on a fully diluted basis.

The Offeror intends to exercise its right to acquire all the remaining Landis common shares by way of compulsory acquisition as soon as practicable. AltaGas will provide further details related to the acquisition upon completion of the Offer, expected on or about March 23, 2010.

AltaGas Income Trust is one of Canada's largest and fastest growing energy infrastructure organizations. The Trust creates value by acquiring, growing and optimizing gas and power infrastructure, including a focus on renewable energy sources.

AltaGas Income Trust's units are listed on the Toronto Stock Exchange under the symbol ALA.UN. The Trust is included in the S&P/TSX Composite Index, the S&P/TSX Income Trust Index and the S&P/TSX Capped Energy Trust Index.

This news release contains forward-looking statements. When used in this news release, the words "may", "would", "could", "will", "intend", "plan", "anticipate", "believe", "seek", "propose", "estimate", "expect", and similar expressions, as they relate to the Trust or an affiliate of the Trust, are intended to identify forward-looking statements. In particular, this news release contains forward-looking statements with respect to, among other things, business objectives, expected growth, results of operations, performance, business projects and opportunities and financial results. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Such statements reflect the Trust's current views with respect to future events based on certain material factors and assumptions and are subject to certain risks and uncertainties, including without limitation, changes in market, competition, governmental or regulatory developments, general economic conditions and other factors set out in the Trust's public disclosure documents. Many factors could cause the Trust's actual results, performance or achievements to vary from those described in this news release, including without limitation those listed above. These factors should not be construed as exhaustive. Should one or more of these risks or uncertainties materialize, or should assumptions underlying forward-looking statements prove incorrect, actual results may vary materially from those described in this news release as intended, planned, anticipated, believed, sought, proposed, estimated or expected, and such forward-looking statements included in, or incorporated by reference in this news release, should not be unduly relied upon. Such statements speak only as of the date of this news release. The Trust does not intend, and does not assume any obligation, to update these forward-looking statements. The forward-looking statements contained in this news release are expressly qualified by this cautionary statement.
