

NEWS RELEASE

ALTAGAS TO HOST INVESTOR DAY IN TORONTO

Calgary, Alberta (September 3, 2010) – AltaGas Ltd. (“AltaGas”) (TSX: ALA) will hold its annual Investor Day on Thursday, September 16, 2010 in Toronto.

Members of senior management will discuss AltaGas’ strategy and outlook for long-term growth. The discussion will include a detailed update on the Forrest Kerr project and many of the company’s other current growth projects.

The following members of the senior management team will be speaking:

- David Cornhill, Chairman and Chief Executive Officer
- Richard Alexander, President and Chief Operating Officer
- David Harris, General Manager, Forrest Kerr Project
- Debbie Stein, Vice President Finance and Chief Financial Officer

Members of the professional investment community are invited to attend the event. To register, please call 1-877-691-7199 or email investor.relations@altagas.ca.

The general public is invited to view the live webcast, which will begin at 1:30 p.m. EDT on September 16, 2010.

The live webcast and presentation will be accessible through AltaGas’ website, at

http://www.altagas.ca/investors/presentations_and_webcasts. A copy of the presentation and webcast will be archived and accessible for replay.

AltaGas is one of Canada’s largest and fastest growing energy infrastructure organizations. AltaGas creates value by acquiring, growing and optimizing gas and power infrastructure, including a focus on renewable energy sources.

This news release contains forward-looking statements. When used in this news release, the words "may", "would", "could", "will", "intend", "plan", "anticipate", "believe", "seek", "propose", "estimate", "expect", and similar expressions, as they relate to AltaGas or an affiliate of AltaGas, are intended to identify forward-looking statements. In particular, this news release contains forward-looking statements with respect to, among other things, business objectives, expected growth, results of operations, performance, business projects and opportunities and financial results. These statements involve known and unknown risks, uncertainties and other factors that may cause actual results or events to differ materially from those anticipated in such forward-looking statements. Such statements reflect AltaGas’ current views with respect to future events based on certain material factors and assumptions and are subject to certain risks and uncertainties, including without limitation, changes in market, competition, governmental or regulatory developments, general economic conditions and other factors set out in AltaGas’ public disclosure documents. Many factors could cause AltaGas’ actual results, performance or achievements to vary from those described in this news release, including without limitation those listed above. These factors should not be construed as exhaustive. Should one or more of these risks or uncertainties materialize, or should assumptions underlying forward-looking statements prove incorrect, actual results may vary materially from those described in this news release as intended, planned, anticipated, believed, sought, proposed, estimated or expected, and such forward-looking statements included in, or incorporated by reference in this news release, should not be unduly relied upon. Such statements speak only as of the date of this news release. AltaGas does not intend, and does not assume any obligation, to update these forward-looking statements. The forward-looking statements contained in this news release are expressly qualified by this cautionary statement.
